

## Shutout 2012

The more I try to expose the accounting trails of the CPA Joanne White and the Attorney Edward White, the more I'm shut out, and I've tried for twenty years.

Perhaps it's all a coincidence, but the following happened after I tried to expose their accounting trails at bk467p191 by posting my website <http://www.canweconnectthedots.com> on March 31, 2012 (See Timeline)

I had been Trustee for the 1992 Virginia Land Trust since 1992. After I posted <http://www.canweconnectthedots.com> on March 31, 2012, my power of attorney for selling the Trust property was revoked, I was sent a Summons, an Injunction, a Notice to appear in Court, and an Order to appear in Court. If there is any doubt that the accountant's signature pattern is to use a trusting family member as cover, vetting these events should remove it.
