Dear Tony:

I have looked at our file copy of your father's will and find there is nothing in the trust provisions which changes the way the sale of real estate is handled by you as Trustee. You had the power as Trustee to retain land as a part of the trust even though it yielded no income. You also had the power to sell the real estate. Upon its sale you as a fiduciary have the obligation to pay state and federal income taxes. You may pay the tax from the gross proceeds of sale. Once having paid the taxes you should reinvest the remainder of the proceeds of sale and pay the net income to your mother for life. Of course, you also have the power to distribute principal to your mother should she need it.

You will find my bill enclosed.

Sincerely yours,

E. A. Prichard

Re: Land Trust Agreement for approximately 15 acres of land located
in Fairfax County, Virginia, known as Accotink

Dear Mr. O'Connell:

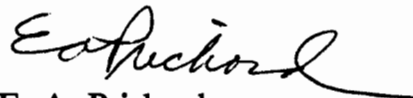

Enclosed for your review please find drafts of the following:

1. Deed in Trust Under Land Trust Agreement;
2. Power of Attorney; and
3. Land Trust Agreement.

When reviewing these documents, we would appreciate your specifically verifying that the ownership percentages set forth on page 12 of the Land Trust Agreement are accurate. Additionally, since we noticed a discrepancy between the way your sister Sheila's last name was spelled in your letter to me of October 23 and in your mother's will we would like you to verify which spelling is accurate.

Please call me once you have had an opportunity to review the enclosed.

Sincerely yours,

RE: Land Trust Agreement

Dear Tony:

Enclosed is a revised version of the Land Trust Agreement for the Accotink property. As you suggest, I have amended the agreement to allow you, as Trustee, to sell, exchange, convey, mortgage, or assign the property without the consent of your sisters or their successors, as Beneficiaries.

You should be aware that such authority might not withstand judicial scrutiny. A court of equity could conclude that you have not acted properly in that you are the Trustee, the Attorney-in-Fact, and a Beneficiary. Courts generally uphold a broad grant of authority to the trustee of a real trust, but since this is a land trust where the power to manage and control the property typically remains with the beneficiaries and you are serving as both the trustee and the attorney-in-fact, as well as being a beneficiary, a court might allow one or both of your sisters or their successors to challenge a sale of the property.

Your authority, as Trustee, to sell the property is much less susceptible to legal challenge as long as you remain the Attorney-in-Fact, and as such give a written direction to the Trustee to sell the property.

We have found no Virginia authority to preclude granting the Trustee such broad powers, but you should understand that despite the broad grant of power to the Trustee in the Agreement, the Beneficiaries may still be allowed to contest a sale of the property.

Also, I have included the compensation provisions you requested in a new paragraph 9. An additional warning should be given in relation to the amount of compensation, in that a 1/3 commission of the value added is much greater than Virginia courts generally find to be reasonable. The courts usually hold that a 5% commission on sales is reasonable compensation, with slight increases or decreases depending on the duties and efforts required of the trustee. Again, we have found no Virginia authority precluding a 1/3 commission of any realized gain in value, but if challenged, a court might reduce the percentage.

I look forward to hearing from you after you have had a chance to review these revisions.

Very truly yours,

E. A. Prichard

1. Recitals. The recitals set forth above are incorporated herein by reference, as if fully set forth in the text of this Trust Agreement.

2. Legal and Beneficial Title. The Beneficiaries shall have only the right, as personalty, hereinabove set forth. The death of a Beneficiary shall not terminate this trust or in any manner affect the powers of the Trustee. The death or resignation of O'Connell or any successor attorney-in-fact ("Attorney-in-Fact") designated by the Beneficiaries shall not terminate this trust or in any manner affect the powers of the Trustee but shall result in the designation by the Beneficiaries of a successor attorney-in-fact. Notwithstanding the foregoing, the Beneficiaries shall be the real and beneficial owners of the Property for all purposes whatsoever (including, without limitation, risk of loss, federal, state and local income taxes, estate and inheritance taxes, and real property taxes), to the same extent and with the same force and effect as if a deed to the property had been recorded in the name of the beneficiaries. Accordingly, without limiting the generality of the foregoing, from and after the effective date of this Trust Agreement, The Beneficiaries shall have the right, acting by and through their Attorney-in-Fact, to (i) use, occupy, enjoy, and control the Property, to receive the earnings, profits and proceeds from any rental, sale, financing or refinancing, or other disposition of the Property, including any proceeds from casualty or title insurance policies and any condemnation awards or proceeds, and to otherwise have and exercise all of the burdens and benefits of beneficial ownership and control of the Property, (ii) develop the Property or construct, repair, alter, remodel, demolish or replace any improvements on the Property, in such manner or form as the Attorney-in-Fact shall determine in his or her sole discretion; (iii) lease, contract to lease, grant options to lease and renew, extend, amend or otherwise modify leases on the Property, any portion or portions thereof, or any improvements located thereon, from time to time, for any rental and upon any other terms and conditions; and (iv) encumber, convey, or otherwise deal with title to the Property or any portion or portions of the Property and direct the Trustee to encumber, convey or otherwise deal with legal title to the Property, or any portion or portions of the Property, as hereinafter set forth.

3.02. Except for those obligations of Trustee referenced in paragraph 9.02, Beneficiaries, acting by and through their Attorney-in-Fact, hereby covenant and agree to (i) pay all real estate taxes and other assessments for the Property, when and as the same are due; (ii) at all times adequately insure any improvements on the Property against fire and other casualties, and maintain liability insurance in reasonable amounts with a company doing business in the Commonwealth of Virginia that is reasonably acceptable to the Trustee, all of which policies shall name the Trustee as additional insured thereunder; (iii) pay all sums falling due under any and all loans or other liens now or hereafter affecting, encumbering, relating to or arising from any contract relating to the property; (iv) pay all expenses in connection with the ownership and upkeep of, or otherwise concerning, the Property, including, without limitation, all maintenance charges, insurance

premiums, repairs, etc.; (v) pay all costs in connection with any transfer of the property, legal title thereto, or any interest therein, including any transfer and/or recordation taxes or costs in connection with any financing placed on the Property or any transfer of the Property or any interest therein; and (vi) file all income tax returns with respect to the Property and its operation and pay all taxes on the earnings and avails of the Property or growing out of the ownership thereof.

4. DUTIES of TRUSTEE; ACTIONS by Trustee.

4.01. Trustee shall perform the following duties without compensation therefor, except as is otherwise provided in paragraphs 8 and 9 of this Trust Agreement: Trustee has the authority to (i) execute all instruments which shall be necessary to protect and conserve the Property; (ii) sell, contract to sell and grant options to purchase the Property, or any portion or portions thereof and any right, title or interest therein for cash or on credit; (iii) exchange the Property or any portion or portions thereof, for any other real property upon any terms; (iv) convey the Property, or any portion or portions thereof, by deed or other conveyance to any grantee, with or without consideration; (v) mortgage, pledge or otherwise encumber the Property, or any portion or portions thereof (including the granting of deeds of trust thereon); and (vi) release, convey or assign any other right, title or interest whatsoever, in, to or about the Property, or any portion or portions thereof. Trustee shall have the power to perform any of the above acts without the consent of the Beneficiaries or the Attorney-in-Fact. Upon written direction of all the beneficiaries or Attorney-in-Fact, Trustee shall be required to perform any of the above acts. Trustee shall not be required to inquire into the authenticity, necessity or propriety of any written direction executed and delivered to it by all of the Beneficiaries or their Attorney-in-Fact pursuant to this paragraph.

4.02. The foregoing power and authority of Trustee, as contained in paragraph 4.01 above, shall in no way limit the power of the Beneficiaries to take any and all of the same actions in their own name and stand in lieu of taking action through Trustee, to the extent permitted by the laws of the State of Virginia.

4.03. All actions by the Trustee under this Trust Agreement shall be effective only if joined in, in writing, by all parties comprising Trustee. Should a dispute or disagreement arise between the Beneficiaries in respect of this Trust Agreement or the Property, the Trustee shall be entitled, in his or her sole and absolute discretion, to seek the guidance of a court of law or equity in accordance with applicable law.

4.04. (a) If the Property or any part thereof remains in this trust at the expiration of twenty (20) years from the date hereof, the Trustee shall promptly either convey record title to the Property to the Beneficiaries, at the cost of the Beneficiaries, or promptly sell the Property at a public sale after a reasonable public advertisement and reasonable notice thereof to the Beneficiaries, and after deducting the reasonable cost and expenses of such sale, the Trustee shall deliver the proceeds of sale either to the Attorney-in-Fact or to the Beneficiaries in accordance with the respective interests.

(b) If at any time prior to the expiration of twenty (20) years from the date hereof the assets of this trust shall consist solely of cash, the Trustee shall transfer and deliver all of such assets to either the Attorney-in-Fact or the Beneficiaries in accordance with their respective interests. Upon the completion of the action required by this paragraph, the trust and this Trust Agreement shall terminate.

4.05. Anything in this Trust Agreement to the contrary notwithstanding, the Trustee is directed to sell the Property or any portion thereof without the consent of the Beneficiaries if, at any time prior to the expiration of twenty (20) years from date hereof, the Trustee shall deem it advisable in order to protect the interests of the Beneficiaries, but no such sale may be made until after reasonable notice thereof is given to all of the Beneficiaries. After deducting the reasonable costs and expenses of such sale, the Trustee shall deliver the proceeds thereof to the Attorney-in-Fact or the Beneficiaries in accordance with the provisions of subparagraph 4.04 above.

5. Trustee Not to Exercise Rights of Ownership or Control Over Property. Trustee does hereby covenant and agree with the beneficiaries that Trustee will not, in Trustee's capacity as trustee and holder of legal record title to the Property, take any actions respecting the Property, except in accordance with the powers granted in paragraph 4.01 above or by the direction of all of the Beneficiaries or the Attorney-in-Fact. It is expressly understood and agreed between the Beneficiaries and Trustee that the manner of holding title to the Property (or any part thereof) is solely for the convenience of the Beneficiaries; accordingly, the spouse, executors, administrators, beneficiaries, distributees, successors or assigns of any party comprising Trustee or any other holder of record title to all or any portion of the Property, shall have no right, title or interest in and to any of the Property by reason of the manner in which title is held, but the entire Property shall be treated as property of the Beneficiaries, subject to the terms of this Trust Agreement. Trustee hereby assigns to the Beneficiaries the proceeds, if any, receivable by Trustee with respect to any insurance policies under which Trustee is insured with respect to Trustee's holding record title to the Property, including, without limitation, proceeds from title insurance policies.

6. Disclaimer of Partnership. This Trust Agreement shall not be deemed to be, or create or evidence, the existence of a business trust, an association in the nature of a corporation, a partnership, a joint venture or any other business entity or enterprise between the Trustee and the Beneficiaries,

7. Third Parties.

7.01. No party dealing with the Trustee in relation to the Property, or any portion or portions thereof, in any manner whatsoever and (without limiting the foregoing), no party to whom the Property, or any portion or portions thereof, or any interest therein shall be conveyed, contracted to be sold, leased or mortgaged by Trustee, shall be obliged to (i) see to the application of any purchase money, rent or money borrowed or otherwise advanced on the Property; (ii) see that the terms of this

Trust Agreement have been complied with; (iii) inquire into the authority, necessity or expediency of any act of Trustee; or (iv) be privileged to inquire into any of the terms of this Trust Agreement.

7.02. Every deed, mortgage, lease or other instrument executed by Trustee in relation to the Property, or any portion or portions thereof, shall, if joined in by all parties comprising Trustee in conformity with the provisions of paragraph 4.03 of this Trust Agreement, be conclusive evidence in favor of every person claiming any right, title or interest thereunder (i) that at the time of delivery thereof the trust created hereunder was in full force and effect, (ii) that such instrument was executed in accordance with the terms and conditions of this Trust Agreement and all amendments hereof, if any, and is binding upon the Beneficiaries, (iii) that Trustee was duly authorized and empowered to execute and deliver such instrument, and (iv) if a conveyance has been made to a successor or successors in trust, that such successor or successors have been properly appointed and are fully vested with all of the title, estate, rights, powers, duties, and obligations of its, his or their trust.

7.03. No person or entity not a party hereto, specifically including (but not limited to) any creditors of any of the Beneficiaries or Trustee, shall derive any rights or benefits by virtue of the provisions of this Trust Agreement whether under any third party beneficiary theory, right of subrogation or otherwise; and any and all intention to create any such rights in any person or entity not a party hereto is hereby specifically disclaimed.

8. Trustee Not Individually Liable; Indemnification and Reimbursement of Trustee by the Beneficiaries.

8.01. The Trustee, in such capacity, shall have no individual liability or obligation whatsoever arising from holding the legal record title to the Property pursuant to the provisions hereof or any action taken by the Trustee with respect to the Property except as a result of Trustee's gross negligence or willful misconduct, or with respect to any act done or contract entered into or indebtedness incurred by the Beneficiaries, and the Beneficiaries shall indemnify, defend and hold Trustee harmless from any such liability and obligations. Any instrument required to be executed by Trustee with respect to the Property, including but not limited to deeds, deed of trust or mortgages, shall expressly state that the Trustee has joined in such instrument solely in the capacity as Trustee and will have no personal liability or obligation thereunder for performance of any covenants thereof or for payment of any indebtedness or other sums evidenced or secured thereby.

8.02. Notwithstanding the obligations in paragraph 9.02, the Trustee shall not be required (i) to take any action with respect to the property unless the Trustee shall have been furnished with sufficient funds therefor or be indemnified to Trustee's reasonable satisfaction with respect to the costs thereof; or (ii) to pay or advance any sums of money with respect to the property or this Trust Agreement except from funds provided to Trustee for such purpose. If Trustee shall pay any money or

Expose Bk467p191

incur any liability to pay any money on account of this Trust Agreement or the Property, or any portion or portions thereof, or incur any liability to pay any money on account of Trustee holding title to the Property or otherwise in connection with this Trust Agreement, whether because of breach of contract, injury to person or property, fines or penalties under any law, or otherwise, Beneficiary agrees that, except as is otherwise provided in paragraphs 8.01 above and 9.02 below, the Beneficiaries will, at their expense, indemnify, defend and hold harmless Trustee from and against any liabilities or obligations incurred by Trustee for any reason whatsoever as a result of this Trust Agreement, including all loss, costs, expenses and reasonable attorneys' fees, and that the Beneficiaries will, on demand, pay Trustee all such payments made by Trustee together with trustee's expenses, including reasonable attorneys' fees.

8.03. The Trustee shall be entitled to rely, and shall be fully protected in relying, upon any communication or document to have been made or signed by the Attorney-in-Fact provided the Trustee has not received written notice of the revocation of the power of attorney by any of the Beneficiaries. Effective immediately upon Trustee's receipt of such notice, Trustee shall take no action under this Trust Agreement, except as provided in paragraph 4.01, without the consent of all of the Beneficiaries or a final order from a court of competent jurisdiction authorizing such action.

9. Compensation of Trustee; Expenses Paid by Trustee; Real Estate Taxes.

9.01. Trustee shall be compensated for its duties under this Trust Agreement on a value added basis. The Beneficiaries agree that the basis of the trust property is \$300,000, the assessed value of the property determined by a professional appraisal on June 8, 1992. Trustee is to receive 1/3 of any amount realized above the \$300,000 basis upon sale of the property or 1/3 of any increase in the appraised value of the property upon conveyance of title to the Beneficiaries.

9.02. Trustee agrees to pay for all expenses voluntarily undertaken towards increasing the value of the property and the expense of any sales commission incurred in the eventual sale of the property.

9.03. All real estate taxes on the property shall be shared by all of the Beneficiaries. If a Beneficiary does not provide his or her share of the taxes, The Trustee will pay the shortfall and shall be reimbursed the principal plus 10% interest per annum. Trustee shall be reimbursed for any outstanding real estate tax shares or other Beneficiary shared expense still owed by any Beneficiary at settlement on the eventual sale of the property.

10. Termination; Resignation of Trustee; Amendment.

The Trust created hereunder may be terminated by all of the Beneficiaries or the Attorney-in Fact at any time and, upon such termination, Trustee shall convey the Property, or any remaining portion or portions thereof, to the Beneficiaries or to any person or persons designated by each of them, in accordance with their respective interest, at the sole cost of the Beneficiaries. This Trust Agreement may be amended only by a written agreement executed

by Trustee and all of the Beneficiaries or the Attorney-in-Fact and may be revoked or terminated by written notice from all of the Beneficiaries or the Attorney-in-Fact to Trustee. Trustee shall, upon the direction of all the Beneficiaries or the Attorney-in-Fact and at the sole cost of the Beneficiaries, execute any and all amendments hereto or modifications hereof, provided that the same preserve the provisions of paragraphs 8 and 9 hereof unless otherwise agreed in writing by all of the Beneficiaries or the Attorney-in-Fact and Trustee. Notwithstanding the foregoing, the Trustee shall have the right to resign as trustee upon thirty (30) days written notice if any of the Beneficiaries shall fail in any material respect to perform any of their obligations under this Trust Agreement running to the benefit of Trustee, without any further liability or obligation of Trustee under this Trust Agreement, such resignation to be effective upon the date specified in such notice unless the Beneficiaries shall substitute a new trustee or trustees prior to such effective date pursuant to the provisions of paragraph 12 of this Trust Agreement. The resigning Trustee shall not be required or obligated to take any action under this Trust Agreement or with respect to the Property from and after the date any such notice of resignation is given, except to convey the property to a successor trustee if so requested. In the event all trustees then serving under this Trust Agreement resign and no substitute trustees are appointed by the Beneficiaries prior to the date such resignation is effective, then the trustee may convey record title to the Property to the Beneficiaries in accordance with their respective interests, at the Beneficiaries' cost, or, at Trustee's option, file a suit for appropriate relief in a court of competent jurisdiction.

11. Governing Law. This Trust Agreement shall be construed in accordance with the laws of the Commonwealth of Virginia.

12. Recordation; Copies of Trust Agreement. The Beneficiaries shall have the right, at their expense and without cost to Trustee, to have this Trust Agreement, or a memorandum hereof, recorded among the land records of Fairfax County, Virginia. Copies of this Trust Agreement or any amendment hereto or modification hereof, certified by Trustee or all of the Beneficiaries or their Attorney-in-Fact to be true and correct, shall be satisfactory evidence thereof for all purposes.

13. Substitution of Trustees. All of the Beneficiaries in agreement or the Attorney-in-Fact shall have the absolute right, at any time and for any reason, with or without cause, to remove the Trustee, or any of them, and to appoint a substitute trustee or trustees hereunder, or upon the resignation, death, incapacity, disability or absence of the Trustee, or any of them, to appoint a successor trustee or trustees hereunder, which appointed successor or substitute trustee or trustees shall be conferred with all the rights and charged with all the duties that are conferred or charged upon the Trustee originally named herein, and Trustee covenants to promptly execute, acknowledge and deliver to the Beneficiaries a deed conveying record title to the Property to the successor trustee(s) and any and all documents in connection therewith. Said power of substitution or removal may be exercised

at any time or from time to time, with or without cause, and one or more exercises thereof shall not be deemed to exhaust said power.

14. Successors. The provisions of this Trust Agreement shall inure to the benefit of, and be binding upon, the parties hereto and their respective heirs, representatives, successors and assigns.

IN WITNESS WHEREOF, the parties hereto have executed this Land Trust Agreement under seal as of the day and year first above written.

Dear Tony:

You spoke with Tim Dimos on the telephone so you know his advice: that insofar as transfer of title is concerned the Virginia Land Trust Agreement which was signed by your sisters and yourself operates to transfer title to you as Trustee. Tim believes, however, that you will need a receipt to show the Commissioner of Accounts in order to close out the trust created by your father. I have prepared such a receipt and enclose two copies. Bearing in mind that you would prefer not to have to ask your sisters to sign anything else I have made it an assignment and receipt calling for your signatures only. Attach to it a copy of the recorded land trust agreement and I believe it should satisfy the Commissioner of Accounts. If it does not the worst that will result is that we will have to add the signatures of your two sisters. I will keep the receipt in my computer so that if the other two signatures are required I can add them and print a new receipt.

If Jesse Wilson has a question about the receipt you may tell him that you will have me call him and explain my thinking.

Sincerely yours,

E. A. Prichard
